

Oracle Free Retake for Java Certification Exam

Repetition Promotion Free (Retake) Oracle Certification Exam

For a Limited Time: Get the possibility of repeating once the exam for free with registration for any certification exam Java or Oracle Database 12c

Steps to take advantage of the offer:

Enter the code **RETAKE15LA** promotion at the time of payment of scheduling your first attempt for the exam. NOTE: Add this promotion code qualifies you for the opportunity to repeat the exam once if necessary.

At that time, if you have an existing Oracle discount (voucher / promotional code), enter this number also the time of payment.

If you fail the first time, you will automatically be eligible to take the examination once free.

The discount will be automatically applied to your purchase when enrolling for re-examination. It will not be necessary to include a promotional code with your purchase for the discount to be considered.

Complete both studies (the first attempt and repeat) until 31 May 2015.
